### Certificate of Conformity

To Whom It May Concern,

We, **Nord Agri**, hereby certify that all peat products produced by our company fully comply with the applicable **European Union (EU) rules and regulations** governing peat production.

Nord Agri strictly adheres to EU guidelines and best practices for responsible and sustainable product manufacturing. Our production processes align with all relevant quality, environmental, and safety standards to ensure high-quality peat products that meet industry and regulatory requirements.

This certificate is issued as confirmation of our commitment to compliance and responsible production practices.
